If we are forced to change your booking or part of your booking for any reason beyond our control, we reserve the right to vary your itinerary and will endeavour to give you notice thereof. In the event that any one change or series of changes to your itinerary demonstrates that your tour has thereby become materially different from the contemplated prior to the changes being effected and in respect of, we have accepted your deposit or full payment, you have the right to ask for a rearrangement or to withdraw from the tour and all monies will be refunded less any charges levied by suppliers.

It is essential you check with your booking agent whether any such changes have occurred in your tour before you complete your final payment. If you do not accept this alternative tour, we will refund in full any monies already paid.
