ELIGIBILITY for a JAPAN RAIL PASS: (please ✓ if your client is eligible).

1. Your client must be a foreign tourist visiting Japan from abroad for sightseeing, under the entry status of "Temporary Visitor." "Temporary Visitor" entry status, according to Japan Immigration Law, allows a stay in Japan of 15 days or 90 days for "sightseeing, etc." When your client enters Japan for sightseeing, entry personnel will stamp the passport as "temporary visitor". Only persons who have a passport bearing this stamp can use a JR PASS.

Caution:

If your client visits Japan with an Exchange Order (Jalpak issues Exchange Order) to be turned in for a JAPAN RAIL PASS, the exchange cannot be made unless they have "temporary visitor" status: to enter Japan under any other official status, such as "trainee" or "entertainer" will make the pass invalid. Please note that according to strict interpretation of the Japanese Immigration Law, "temporary visitor" status differs even from other types of stays that are also for only short time periods.

Note: New Zealand Residents traveling on a Japanese Passport are not allowed to purchase JR West or Kyushu Rail Passes.

2. If your client is a Japanese national living in a foreign country
 - a. who is qualified to live permanently in that country, or
 - b. who is married to a non-Japanese residing in a country other than Japan.Note: Persons meeting conditions above must be required to show proof of name at the points of purchase of an Exchange Order and obtaining a JAPAN RAIL PASS.
